

## Scarecrow Contest Returns!

Before you know it, summer will be over and October will be here, so get your thinking caps on and start dreaming up your scarecrow.

Scarecrows can be abstract mobile-like creations hanging from a tree, sitting on a haystack, or standing in your front lawn. They can be created with a broom handle, a clothes hanger, a jug for the head, and colorful old clothes.

Please feel free to either create one scarecrow or many! For more ideas, the web has some great suggestions!
