

Woodbridge Village Association Online Tennis Registration

Starting in January 2008, WVA residents will be able to sign up for the existing reservable tennis courts at our North and South Lake Tennis Clubs online. The new tennis program will allow residents to have their own user name and password to log on anywhere with internet access. There will be a computer set up for residents to sign up in the association office for those who do not have internet access at home.

To get access to the online Tennis Program, please fill out the Online Tennis Registration Form (on reverse side) and drop it off at the WVA office or mail to the association office at 31 Creek Rd. After the form is processed, you will receive an email with your temporary password and username to the email address you provided on the form. We will have a link on our website at www.wva.org for you to access the program and log in.

All current tennis rules still apply. Members will only be able to sign up for one reserved court per household per day. Courts will be able to be reserved no more than seven days in advance and courts will become available at 6 p.m. each day for the corresponding day in the following week. Also, the tennis courts will be open for reservations up until 10 p.m. the night before.

The tennis courts at Stonecreek and Timber Run will now be open courts only.

If you have any questions regarding the online Tennis Program please contact the Recreation Manager, Ralph Redington at (949)786-1800 ext.118 or email him at Ralph@wva.org.
